

Welcome to **Nightcliff Middle School**

Nightcliff Middle School is a community focused, multicultural school which caters for students from Nightcliff, Coconut Grove, Rapid Creek, Millner, Jingili and Moil. High academic expectations and the wellbeing of all our students are at the forefront of everything we do.

The school values are:

**Care, Acceptance, Responsibility,
Respect and Success**

These are embedded in all aspects of the school for students, staff, parents and the community.

A STRONG AND VIABLE CURRICULUM

Nightcliff Middle School provides opportunities and support for students to successfully navigate through the Australian Curriculum and transition to senior school.

The school has a strong emphasis on enhancing literacy and numeracy by providing an additional Literacy and Numeracy class enabling students to make significant gains as reflected in our NAPLAN results.

We also offer a range of Arts subjects including Art, Drama, Media, Coding, Music, Health PE and Indonesian.

Nightcliff Middle School is the only school which offers direct pathways to both Darwin High School and Casuarina Senior College, including the Centre's for Excellence programs, ACE programs, SEDA and VET programs.

HIGH ACHIEVERS CLASSES

Students are invited to sit an exam to enter a high achievers class which will move through NMS together.

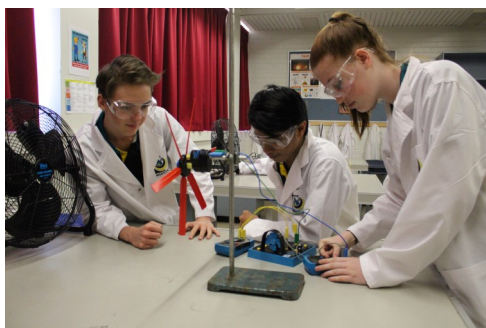

INFORMATION TECHNOLOGY

The school has made a significant investment in upgrading its information technology and network. Students have access to iPads, PC laptops, a multimedia library and is in the process of setting up a Makerspace including three EV3 Robots.

WE ARE A STRONG COMMUNITY THAT CARE ABOUT OUR STUDENTS

Adolescence is a time of important decision making and the adolescent student is experiencing rapid changes in all areas of their development. Nightcliff Middle School assists and guides its students as they develop into young adults through our comprehensive social and emotional learning program.

S.T.E.A.M

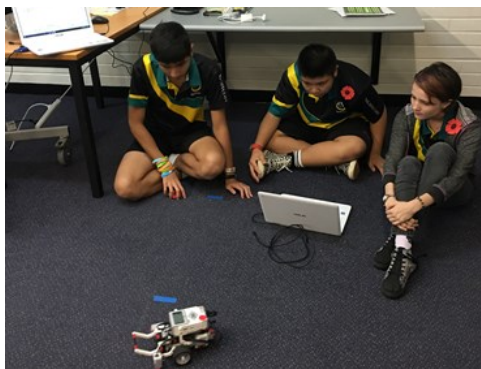

NMS prides itself with implementing a technology rich curriculum. Our focus on Science Technology Engineering Arts Mathematics or STEAM is an applied, integrated approach. This applied, project-based way of teaching and learning allows students to understand and appreciate the relevancy of solving real life problems in the world around them.

STUDENT LEADERSHIP

Our student leadership team consists of School Captains and the Student Representative Council. They are a vital component of our school community representing students during whole school occasions, organising events and contributing to whole school decisions.

TEKKOS

Tekkos are our school technology experts. Admission to the Tekkos group is by submitting an application at the beginning of the year. This group of students provide technology advice and support to students and staff of schools within the Nightcliff area.

SCHOOL CAMPS

Students are given the opportunity to attend a camp. Year 7s camp around the Litchfield area, Year 8 camp is held in Katherine and Year 9s travel to Jabiru.

STUDENT SUPPORT TEAM

As well as teachers, there are various other valuable members of staff available to students. Students should make an appointment with the staff member they would like to see.

- Home Liaison Officer (HLO)
- Aboriginal and Islander Education Worker (AIEW)
- School Counsellor
- Health Promoting School Nurse
- Clontarf Academy
- Stars Academy
